Re: COMPLIANT SKATE FRAME
New U.S. Patent Application
Our Reference: SKTE-1-1498

Dear Marcia:

Enclosed please find the disclosure materials for a Compliant Skate Frame that K2 has developed. Please prepare a patent application based on these disclosure materials directed toward a frame that provides vibration dampening.

I look forward to receiving a draft of the application within six weeks. Please call if you have any questions.

Very truly yours,

Darren J. Jones
